There are two points for orders in this file

1 Assignment to Municipal funds of the land revenue on the additional lands included within Municipal limits since 1876

2 The so-called formal transfer of jurisdiction over Sunkenahally village by the Revenue dept to the Municipal Council

As the 1st point is raised by the President after City Municipal Council Fund reference (as worded to paras 10 & 11 supra, in the Commr's) the reply of the President embraces the force of the arguments stated in those paras

~~As regards the 2nd point, it is understood that the meaning of the word "transfer"~~

2) The 2nd point has been raised by the Dy Commr of Bangalore &

But what formal orders he expects, it is not easy to understand. The jurisdiction of revenue officers is not local in Sunkenahally or for the matter of that in any portion area included as a Municipality, but their real charge is that in matters of Sanitation etc, their advice is taken after which Municipal Council of the authorities specified in the Municipal Regulations thereunder in the G.O.S Rules

Similarly also in respect of all other matters provided for in the Munl Regn

22 But in the Case of the discontinuance of mohatarfa & the levy of Munl taxes instead on houses, buildings & vacant sites, the usual practice is for Govt to forego mohatarfa on including a village within municipal limits, and to allow the munl Council to levy the taxes Here is what obtains in practice both with regard to removing & in regard to Munl tax A general direction on the above effect does not exist in any order A draft in this respect is proposed

23. A draft order for the disposal of this particular case is also put up Rec'd for orders on the 2 drafts
